Re: Closeout of BLM Case Files for Mining Notices UTU-76412 and UTU-76413; UDOGM File #s S/019/044 and S/019/043, Respectively.

Dear Mr. Day:

In a January 25, 1999 telephone conversation, Anthony Gallegos of UDOGM informed Sal Venticinque of my staff that you desired a closeout of each of the above-referenced mining notices. Field inspections of these notices on the following day indicated that no land surface disturbances have yet taken place. Therefore, we are closing out the BLM case files on UTU-76412 and UTU-76413. If you have any questions, please contact Mr. Venticinque at (435) 259-2141.

Sincerely,

Assistant Field Office Manager
Resource Management
